History

The Rostrevor Old Collegians' Football Club was established at a special meeting of the Christian Brothers Old Collegians' Football Club. The meeting was held at Rostrevor College on 23 February 1974 following a petition to call a special meeting to change the name of the club. Some of the signatories to the petition included Mick Murphy, Ian Altschwager, Frank Ali, David Clancey, Kim and Craig Peters. The motion to change the name was passed and the new Rostrevor Old Collegians' Football Club was formed.

In its inaugural year, the Club competed in A4 and A4 reserves with the latter winning the premiership. In 1979 a third side was introduced with a fourth team in 1981.

The LOSA Football Club was added as the clubs Fifth side (and first woman's side) in 2022 & were runners up in their inaugural year.

An Invitation from the President

Dear Sponsors, Members & Supporters

Seems it was only a few weeks ago that we were celebrating Premiership wins by our womens' LOSA and mens' C Grade teams. Since then the Football Department, Coaches and Administration have been busily preparing for Season 2024 in which the Club will be celebrating its 50 year Anniversary. It's an old adage but true that "*premierships are won during the offseason*".

Several old scholars have agreed to return to the Club and will be playing for us in Season 2024. The players commenced pre-season training on 27 November 2023 and attendance numbers have been outstanding.

Whilst the coaches and the players are putting in the hours and hard yards preparing for the upcoming season, the Administration will ensure that they are provided with a positive environment and facilities to enjoy their football and succeed. This to a large extent is made possible by the generosity and loyal support of our Sponsors, Members and Supporters.

On behalf of the Club, I thank each and every one of our Season 2023 Sponsors, in particular, our continuing major sponsors Radiology SA, The Glynde Hotel, Gerard McCabe Jewellers, and BBQ Adeliade Weber Store. Their support and the support of all our other Sponsors and Members contribute to providing financial stability to the Club which enables it to provide a programme for our players which is second to none.

The programme devised by Senior Coach Damien Boots and his Assistant Adam West saw significant and identifiable progress in our on field performances in 2023 with the aforementioned teams achieving premiership success and all other teams having successful seasons with the A Grade Mens' Team narrowly missing out on progressing in the finals. There is a palpable air of excitement around the Club at Coach, player and Administration level.

Accordingly, I invite you to join us in our 50 year milestone in 2024 by again becoming a sponsor or member.

Bob Holland
President
