## History

The Rostrevor Old Collegians' Football Club was established at a special meeting of the Christian Brothers Old Collegians' Football Club. The meeting was held at Rostrevor College on 23 February 1974 following a petition to call a special meeting to change the name of the club. Some of the signatories to the petition included Mick Murphy, Ian Altschwager, Frank Ali, David Clancey & Kim and Craig Peters. The motion to change the name was passed and the new Rostrevor Old Collegians' Football Club was formed.

In its inaugural year, the Club competed in A4 and A4 reserves with the latter winning the premiership. In 1979 a third side was introduced with a fourth side in 1981.

The LOSA Football Club was added as the clubs Fifth side (and first woman's side) in 2022 & were runners up in their inaugural year, won the Premiership in 2023 and just missed finals in 2024; a rapid rise through the divisions.

# An Invitation from the President

Dear Sponsors, Members & Supporters

What a memorable season we've had in 2024 with all four mens' teams playing in the finals. This is unprecedented in our history. The B's and C's finished 3rd, the D's second and the A grade won the ultimate prize by winning the Grand Final and the Premiership. The LOSA girls after playing in Grand Finals in 2022 and 2023 just missed out this season but this needs to be put in perspective given that for each of the three years they have been competing they've been promoted a division. All this in our 50th year.

Our success doesn't happen by accident. There is a whole of Club effort needed to be successful. This year at the Sponsors' Day lunch and at Presentation Night I likened the operation of the Club to a jigsaw. Our Sponsors, Members and Supporters provide many of the pieces of that jigsaw which helps us see the whole picture.

We're already well advanced in the retention of our current players, recruiting new players and planning pre-season and season 2025 when we will return to Division 1 after two years in Division 2. Our return to Division 1 means that we will have played Division 1 footy for 18 of the last 22 years. On any measure that makes us a very successful football club. Our on-field success is ensured to a large extent by the loyalty and generosity of our Sponsors, Members and Supporters.

Many of our sponsors are longstanding. On behalf of the Club I thank each and every one of our 2024 Sponsors, and, in particular our major sponsors Radiology SA, Gerard McCabe Jewellers, The Glynde Hotel and BBQ Adelaide. For season 2025 we already have a commitment from Integrated Waste Services who have agreed to become a major sponsor. Each of our Sponsors, Members and Supporters provide financial stability to the Club which in turn enables it to provide a football programme for our players which is second to none.

However, it goes without saying that we can always do better. Unfortunately the cost of running our outstanding facility at Campbelltown is continually rising with no sign of the cost of electricity, gas, water and insurance abating. I therefore urge you to renew or upgrade your sponsorship or become a new Sponsor for season 2025 and enjoy the ride in 2025.

I reckon you'll be on a winner again.

Bob Holland  
President
